DocuPrint
C2200

DocuPrint C2200 Colour Printer

Fast, affordable, business-class colour

A colour laser with all the right features.

Fleet performance, network ready, and very affordable. The compact, hardworking DocuPrint C2200 delivers uncompromising quality and a full-range of office-friendly features ideal for busy workgroups.

Fits your office and budget

Maximize office productivity with minimum overhead. The DocuPrint C2200 proves that efficiency need not be expensive, offering a variety of big-printer advantages seldom found on other printers in its class.

- **Fast, trouble-free installation** gets you up and running without time-consuming and expensive support calls.
- **Economical, high-yield toner cartridges** reduce per page cost and minimize down time for replacement.
- **A low energy consumption rating** makes the DocuPrint C2200 as green as it is economical.
- **Administration tools** provide intuitive, browser-based configuration of printer and user settings.

Crisp, professional-looking documents

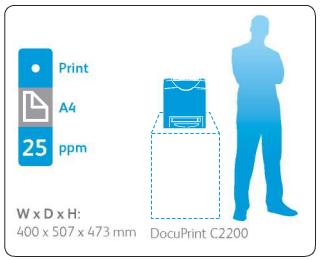
High-resolution and superior colour combine to give your documents a polished look. Photos come to life with breathtaking clarity, while charts and graphs command special attention — a nice touch for the office that wants to look its best.

- **Razor-sharp printing** at 9600 x 600 dpi produces crystal-clear text, photos, and graphics. Even small text and super-fine lines display exceptional sharpness.
- **Rich, vibrant colour** is yours thanks to Fuji Xerox's unique EA-HG toner. The small, uniformly shaped toner particles deliver breathtaking results.
- **Compatibility with Adobe® PostScript® 3™ and PCL6** lets you choose the right driver for the application, giving you increased control over print operations.

Performance-based functionality

Designed to satisfy the demanding needs of busy workgroups, the DocuPrint C2200 has the power for any office. Whatever the task, outstanding speed and responsiveness keep your office humming at peak productivity.

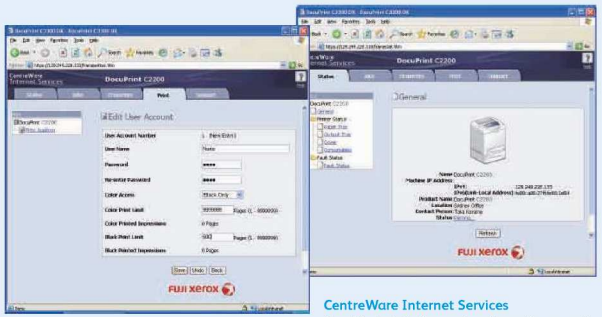
- **Lightning-quick 25 ppm output** and a fast, full-colour first-page-out-time of less than 17 seconds reduce wait times and eliminate bottlenecks at the printer.
- **A 400 MHz processor and 256 MB RAM** (expandable to 768 MB) make short work of even complex, graphics-heavy documents.
- **Optional duplex print unit and 550-sheet feeder** vastly expand output capabilities — excellent additions for printing long documents and decreasing printer downtime when the paper runs out.



Effortless maintenance and administration

The DocuPrint C2200 is a joy for users and administrators alike. Replacing consumables is fast and straightforward while printer and user administration is point-and-click simple.

Easy front access
Consumables such as toner, fuser, and belt unit are all located under the top cover and easily accessed from the front. This intelligent design also reduces the space needed for installation.



Fuji Xerox Auditron
Keep track of printer usage and set user limits with this comprehensive set of management tools for network administrators.

CentreWare Internet Services
Simplify installation and configuration as well as obtain up-to-the-minute status reports with this browser-based software. Automatic e-mail alerts notify administrators or users of events that require attention, like low toner levels.

Comprehensive networking

Versatile connectivity and a host of privacy features make the DocuPrint C2200 the wise choice for today's complex, security conscious environments.

- **Multiple interfaces** allow connection to your existing office LAN via 100Base-TX/10Base-T or directly to a computer via USB 2.0.
- **Solid security features** provide everything you need to protect confidential data — both over office LANs and the Internet. Tools include IPv6+IPSec, IEEE802.1X authentication*, and SNMPv3 (for TCP/IP).

  * Requires the optional hard disk.
- **Multi-platform compatibility** extends not only to Windows and Macintosh networks but also various versions of Linux.
- **Full-featured, Citrix XenApp™ and SAP R/3®** enterprise printing solutions can be easily rolled out using ApeosWare Device Type.

Environmentally conscious

Fuji Xerox shares your concern for the earth, and strives to minimize the environmental impact of all our activities. Our environmental responsibility covers the entire life of the DocuPrint C2200, from manufacturing and operation, to production and recycling of consumables.

Oil-free and reduced CO_2 emissions
EA-HG toner used in the DocuPrint C2200 does not contain oil, helping to conserve this precious resource. Additionally, the amount of CO_2 emitted during manufacturing is reduced up to 35 %, further decreasing environmental burden.

Power saving operation
The DocuPrint C2200 consumes only 7 W* of electricity per hour during sleep mode and has a highly efficient TEC (typical electricity consumption) of 2.351 kWh per week.

* For the 110-volt version. 9 W for the 220-volt version.

Forest-friendly
Packaging for high-capacity (9,000-page) toner cartridges consumes 20 % less paper than packaging for low-capacity cartridges used by some of our competitors. Like Fuji Xerox printing paper, this forest-friendly packaging utilizes recycled paper.

Certified energy efficient
The DocuPrint C2200 carries International Energy Star certification. Energy Star is a voluntary labelling program designed to identify and promote energy-efficient products to reduce greenhouse gas emissions.
