YEAH! It'S pAYDAY!

DiGiPAY – Payroll Made Easy

DiGiPAY is a simple and effective payroll system exclusively designed for Malaysian companies. It is the all-in-one payroll solution compliant with Malaysian labor laws to meet your high expectation.

Setup of new payroll data and upgrade of existing payroll data are made simple by DiGiPAY. DiGiPAY offers various payment settings, three salary modes and equips with Human Resources functions to cater to the needs ranging from small companies up to medium enterprises.

Available in Bahasa Malaysia, Chinese and English language, DiGiPAY is suitable for every company in Malaysia.

DiGiPAY makes complicated payroll processing a simple task!
